

Not Your Normal Nineteenth Hole

By Lane Osborne

We've all been there—standing in the golf course snack bar—looking at the meager selection of beverages, the stale packs of crackers, and withered franks that have been sweating in that hot dog rotisserie for hours on end. Sure, most golf course snack bars are fine for something to tide you over at the turn, but when it comes to really satisfying appetites and quenching thirsts, most golfers want something more.

That's why Tee Box Tavern has quickly established itself as a favorite restaurant among locals since opening its doors in December of last year. Given their close proximity to a half dozen or so golf courses in their location at Boardwalk Plaza on Highway 544, they have become a preferred after-round destination for golfers with discerning palates who demand more for their money—two things Tee Box Tavern happily delivers.

"We pride ourselves in providing quality food at affordable prices," restaurant manager, Michelle Rosen said. "It's what our customers have come to expect."

With a daily happy hour from 4-7 pm that offers discounted drinks and appetizers, and daily specials, including prime rib on Fridays and whole Maine lobster dinners on Saturdays, patrons of Tee Box Tavern get a lot of bang for their buck.

And it's not just golfers who have come to appreciate one of the Grand Strand's newest restaurants. Tee Box Tavern's all-inclusive approach to

service has people of every ilk excited about the new location. The variety of entertainment like shuffleboard, billiards, darts, and state-of-the-art HD golf simulators; a diverse menu that boasts everything from Angus steak dubbed "The Sizzler" to lighter fare like a grilled tuna salad topped with a teriyaki sesame dressing; and their dedication to providing a smoke-free environment are all testament to their desire to serve the whole family.

Tee Box Tavern serves lunch, dinner, and offers catering. They're open Monday through Thursday from 2 pm-10 pm, Friday and Saturday from 11 am-12 am, and Sunday from 12 pm-10 pm, and are located in the Boardwalk Plaza at 4620 Dick Pond Road (Hwy 544) in Myrtle Beach.
